

Nothing left but the  
**CLEAN**<sup>TM</sup>

When your janitorial service is finished  
you want **nothing left but the CLEAN.**<sup>™</sup>

**A sparkling clean, fresh workplace** is the best environment for you and your staff. Your people are healthier, happier and more productive, when ROYAL BUILDING CLEANING is part of your team.

At ROYAL BUILDING CLEANING **we have more than five decades of experience**, providing state-of-the-art cleaning technology and time-proven techniques. There is no better service company in the GTA.

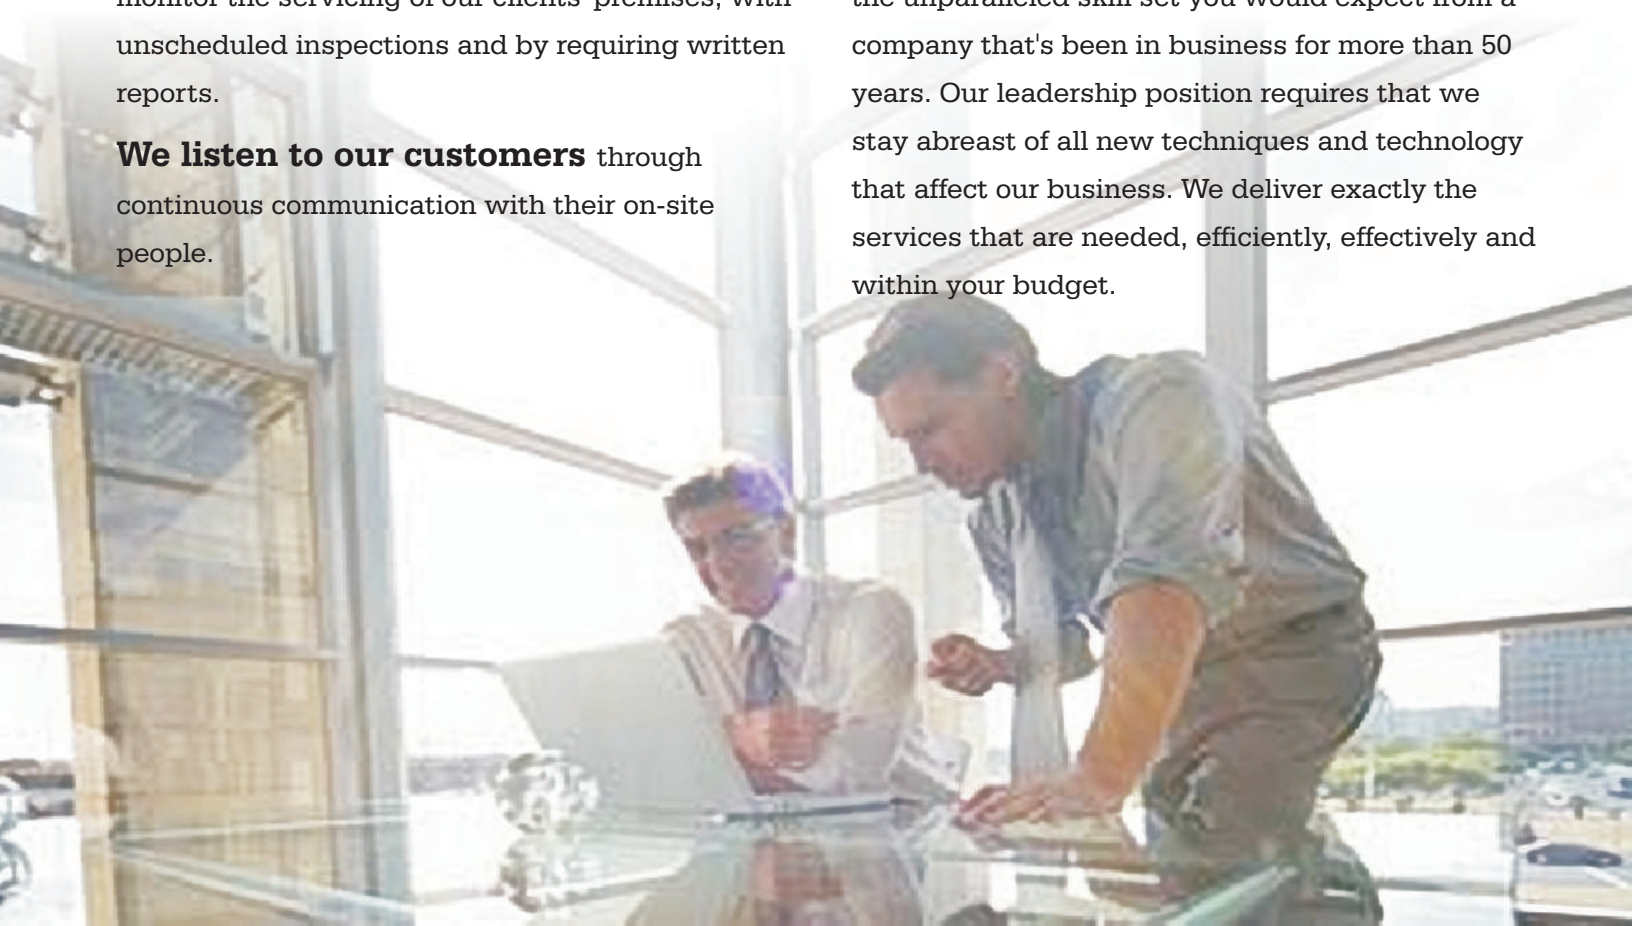

**Quality control is very important** to ROYAL BUILDING CLEANING. We constantly monitor the servicing of our clients' premises, with unscheduled inspections and by requiring written reports.

**We listen to our customers** through continuous communication with their on-site people.

It's no accident that **we have become one of the largest janitorial service companies in Ontario.** We respond immediately to changing needs and client suggestions.

We provide **janitorial expertise and no-charge consultation.** Our clients are able to log into their own account summaries at our website, where they can review our history together, check service staff reports and respond to checklist performance surveys.

Our **full-time, service professionals** have the unparalleled skill set you would expect from a company that's been in business for more than 50 years. Our leadership position requires that we stay abreast of all new techniques and technology that affect our business. We deliver exactly the services that are needed, efficiently, effectively and within your budget.
